Blends Information

Country Park's four seasonal blends, as well as Attitude and Retirement have been formulated by qualified herbalist Catherine Bird, concentrating on the changes and different ailments that seasonal changes can bring. The Retirement Blend is a 1.5kg package with the other six blends available in 1.250kg packages. All these Blends are designed to feed an average sized horse for one month. Each Blend contains premium quality herbs with all the benefits of naturally occurring vitamins and minerals. The complete range of Country Park blends contain no fillers, additives or preservatives.
