

Phone Number Email (if known) Do I have your permission to contact your veterinarian - YES or NO	
---	--

What is your veterinarian's diagnosis and prognosis?	
---	--

What is the problem as you see it?	
---	--

How long have you had this animal?	
---	--

Are you the only handler of this animal, or are others feeding, grooming, riding, working, training?	
---	--

Does your animal have any vices? Nipping, cribbing, windsucking, self-mutilation, etc?	
---	--

Since this animal has been with you has he suffered any illnesses or injuries?	
---	--

Any medications given at that time? How did your animal respond to this medications (positively, negatively, no response?) What vaccinations has this animal been given? When was the last time your animal was vaccinated and with	
--	--

what pharmaceutical, as well as any other times you can remember. Did your animal experience any reactions?

Is your animal on any medications now? (From your veterinarian, any other therapist, or self medicated by you?)

Are you giving your animal any herbs at the moment? (please list all - including garlic, chamomile etc)

What would you like to achieve with your animal's health?

Have you tried any other therapies or therapists with this issue?

Has your animal had alternative therapies before, please give details.

What diet/feed is your animal currently on?

What sort of work do you currently do with

your animal (if horse – what discipline and level of competition).	
---	--

Does your horse have any special needs such as training, farrier or dentistry not previously mentioned?	
--	--

If your animal was human, how would you describe his or her personality?	
---	--

Any further thoughts that you think are significant about your animals?	
--	--

- Method of Payment -
- **Credit card details** [Visa] [MasterCard] [Bankcard]
 Card Number _____
 Expiry Date _____ / _____
Name on Card _____
- Money Order made payable to "Catherine Bird"

I authorise my credit card to be debited for \$_____

- Short Consultation \$40.00
- Full Consultation \$70.00

Do not take your animal off any medication your veterinarian has prescribed without his or her guidance and make sure you advise Catherine of any changes in medications. Some herbs will support pharmaceuticals while others will be antagonistic.

I understand acknowledge that Catherine Bird is not a Medical Doctor, Psychiatrist, Veterinarian or any other kind of Doctor of Medicine, nor does she hold herself out as one.

Signed _____ Date ____ _
